

PAUSE

Multifunctional seating system
Design Vladimír Ambroz 2014

A highly variable seating system for public spaces such as shopping malls, entrance hall, railway stations or public buildings and offices.

It offers the possibility to connect and charge Phones, Smartphones, Tablets, PCs, MP3 or MP4 Players via a USB socket.

Material solid surface is available in colours: ALPINE WHITE (LG HI-MACS®), NOCTURNE DEEP BLACK Corian®), HOT RED (Corian®), or other variants according to the requirement of the customer.

SIZE X
